Our Church Directory is Online!

We are currently updating our church directory. If you would like to make any changes to your address, email, picture, or any other details, please let us know. If you haven't accessed the directory online and would like help doing so, we will be happy to assist you. Please note that your email address must be included in the directory in order to access the online version, as it serves as a two-way authentication for security purposes. This ensures that only those who are part of our church family are able to view the directory information.
