

Dear Floyd's Creek Family

Thank you so much for the wonderful send-off on Sunday. You were more than generous to me and Charlene in both the gifts and the meal. You are a special people, and I have grown, in this year, to love you.

As I told you before, Floyd's Creek has always held a special place in my heart and my ministry. This continues to be true, and you have blessed me greatly. Many of you have spoken kindly about how I have helped you. Please know that you have helped me.

*In the Love of Christ
